Instructions to Reviewers:
All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

For Completion of Review:
Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 U.S.C. 184. (1) Any invention disclosed to the public in the United States or in a foreign country, or in any other country, after the expiration of the term of the patent for such invention, shall not be subject to the provisions of this section unless the invention was first disclosed to the public in the United States or in a foreign country, or in any other country, after the expiration of the term of the patent for such invention, and the invention was first disclosed to the public in the United States or in a foreign country, or in any other country, after the expiration of the term of the patent for such invention.
